Employment Contract:

This Employment Contract ("Contract") is made and entered into on **1st Apr 2025**, by and between:

M/S Ranglerz

Registered Office: 39 Civic Center, College Road Township, Lahore
(Hereinafter referred to as "Employer")

AND

Mr. Shahzaib Afzaal – CNIC No. 35201-1924110-9

(Hereinafter referred to as "Employee")

1. Position and Duration

The Employer agrees to hire the Employee as a **Web Developer** for a period of **12 months**, commencing on **1st Apr 2025** and ending on **1st Apr 2026**.

This contract will be binding, and the Employee agrees not to terminate employment or leave the company midway through the contract period.

2. Salary

- The Employee will receive a salary of **20,000 Rupees per month** for the next 6 months afterwards for the next 6 months salary will be raised to 30,000 Rupees per month.

Salary will be paid monthly on or before the 30th/31st of each month.

Upon the successful completion of this contract, should the Employee wish to resign, a **one-month notice period** is required.

As a contractual employee, all payments will be processed after the deduction of applicable taxes. Salaries are generally disbursed between the 26th and 31st of each month. However, in case of delays in funding from the finance department, payments may be extended by a few additional days.

Please note, salaries for days worked in the previous month will be paid in the following month. For instance, if you joined on the 1st of a month, your salary for the period from the 1st to the 30th will be paid by the 26th to 31st of the subsequent month.

3. Leave Entitlement

- The Employee is entitled to **9 paid leaves** during the **12-month** contract period.
 - No leave encashment for unused leaves will be provided at the end of the contract.
 - No more than **2 leaves** are permitted in a single month.
 - If leave is taken before or after a weekend or event (e.g., Eid, Christmas), it will be counted as **3 holidays**.
 - For non-paid leave, the Employee must notify management **at least 2 days in advance**.
-

4. Office Timings and Additional Hours

- The regular office hours are from **10:30 am to 7:30 pm** (or could be change based on company needs).
 - In cases of heavy workload, the Employee may be required to work late hours or weekends (Saturday and Sunday).
 - Failure to show up for weekend work, if requested, will result in **3 leaves being deducted**.
-

5. Late Arrivals and Reporting

- **Two late arrivals** (over 15 minutes) in a month will be counted as **1 leave**.
 - Failure to submit two consecutive daily work reports without valid reason will result in **1 leave** being deducted.
-

6. Notice Period Rules

- No leaves will be permitted during the **notice period**. Notice period salary will be remaining same as the last month salary.
 - If the Employee takes leave on a Saturday or Sunday during the notice period, it will be counted as **3 leaves**.
-

7. Job Responsibilities

The Employee agrees to perform the duties typically assigned to the position of Backend Developer. The Employer may provide a detailed job description either enclosed with this letter or upon commencement of employment. The Employer reserves the right to transfer the Employee's services to other projects at its discretion.

8. Governing Law

This Contract is governed by the laws of Pakistan and as per the private Co.

9. Early Termination:

- If the employee decides to leave the company at any point during the contractual period without serving the notice period, they must provide at least 10 working days (Mon-Fri) prior notice in written form. In such a case, the employee will also be required to pay two months' salary to the employer. To ensure compliance, the employee must submit a security cheque equivalent to two months' salary. This cheque will be returned upon a mutually agreed exit. The security cheque should be signed in favor of the employer's bank, without a specified date.
- In the event of a contract breach by the employee, the company reserves the right to pursue legal action. Additionally, the employer will not be liable to pay any pending salary, issue experience letters, salary slips, or any other documentation.

10. CONFIDENTIALITY AND PROFESSIONAL ETHICS:

By accepting this offer of employment, you agree:

- Not to disclose any information obtained during the course of your employment to any third party. This includes any information that may harm or be detrimental to the firm and/or its clients. This confidentiality obligation will commence upon signing this agreement and will remain in effect for five years after the termination of your employment with the firm.
- To limit the use of the firm's communication and information systems (such as computers, email, software, internet connectivity, and telephone) solely to business-related tasks. Personal use of these tools and systems is prohibited. Your employment may be terminated if "M/S Ranglerz" is unable to verify the authenticity of any information you provide.

10. NON-COMPETE:

While employed by "M/S Ranglerz," you agree not to engage in any other gainful employment, business, or activity, whether directly or indirectly, with the customers of "M/S Ranglerz" without written consent from the company. You also agree not to assist any customers of "M/S Ranglerz," or any person or organization, in competing with the company, preparing to compete with the company, or hiring any of the company's employees.

This offer of employment supersedes all prior written and oral agreements regarding your employment.

We look forward to working together and wish you all the best.

Employer's Name: Muhammad Ali Gilani

Employer's Signature: _____

Employee's Name: . . .

Employee's Signature: _____

Employee's Thumb: _____

Employee's Cheque Number/ Bank Title: _____

Please Note: The security check worth Rs. 30,000/- provided to the company cannot be canceled. This check will be returned to you once you formally and properly leave the company. In case you attempt to cancel this check through the bank, it will be considered a violation and a breach of the agreement. Legal action may be taken against you on this basis. The thumb impression, signature, and CNIC copy are being taken alongside this contract to ensure that the check cannot be canceled. The check number will also be mentioned in this contract, which you are required to return to the management after signing.

- Job Responsibilities

Key Responsibilities:

1. Manage Projects:

- Web Development with expertise in modern web technologies who can also assist the other team members in managing & developing projects, guiding the team, and ensuring timely delivery of high-quality solutions.

2. Collaborative Development:

- Work closely with the **mobile app team**, providing support in integration and ensuring seamless functionality across web and mobile platforms.
- Collaborate with cross-functional teams, including UI/UX designers, mobile developers, and backend engineers, to deliver high-quality solutions.

3. Client Interaction:

- Communicate directly with clients when needed, providing updates on progress, clarifying requirements, and ensuring that client expectations are met.
- Manage and deliver projects according to client timelines and specifications.

4. Reporting:

- Regularly report progress to the **Team Lead**, providing updates on completed tasks, issues encountered, and upcoming milestones.
- In some cases, report directly to the client, especially when clarification or immediate feedback is required.

5. Code Quality & Best Practices:

- Write clean, scalable, and maintainable code following best practices.
- Conduct code reviews, debug issues, and implement optimizations for performance.

6. Project Support:

- Participate in the entire application lifecycle, from concept to deployment, post-launch support, and maintenance.
- Work on integrating third-party APIs and services as per project requirements.

7. Problem-Solving:

- Address technical challenges efficiently by troubleshooting, debugging, and identifying ways to enhance system performance.

8. Task Management:

- Follow the team's **agile methodology**, participating in sprint planning, stand-ups, and retrospectives to ensure project success.

9. Documentation:

- Maintain detailed documentation of development processes, workflows, and any necessary technical instructions.

10. Office Belongings:

If you take any office belongings outside the premises, you will be solely responsible in case of any mishap. You will be required to return the devices/equipment in the same condition or compensate the company with their equivalent value.
